FOREWORD

It has been fully and clearly demonstrated that a successful breeder must have a great sire to head his herd. By this we mean that a bull must not only be an excellent individual but he must be bred from prepotent ancestors on both sides of the pedigree. It has also been demonstrated that there is always a market for the best animals of every breed. When markets are depressed, the common kind of registered live stock of all breeds has but little value over market animals, but animals with quality and desirable pedigrees, if presented in sale condition will always command profitable prices.

By referring to the pedigrees and the foot notes under them, you will readily see that Williams Brothers have been very fortunate in the selection of their herd bulls. They are offering in this sale animals that excell in individual merit with extremely good pedigrees. They have not been pampered or conditioned for sale but will be sold in their every day clothes, in just good healthy condition. All of them have been in an accredited herd with no reactors for several years. All of them have been recently tested for T. B. and will be sold subject to sixty day retest provided they are kept segregated.

This is a real opportunity to secure foundation breeding animals. They are they kind that are right in type, in character and in pedigree.

Sale Manager's Notes—This excellent breeding bull has just such a pedigree as would be expected when the individual merit of his calves is carefully inspected. His sire Superb Omega was one of the greatest sons of Uppermill Omega, he was the last bull bred by W. S. Marr and sold in the Marr dispersion sale for \$7,600. His sire Bapton Favorite sold in the same sale for \$6,000. He was sired by a son of Count Lavender undoubtedly the greatest bull of his generation. He sired Czarowitch 57 times undefeated Champion bred by William Duthie and exhibited by J. Deane Willis. He also sired County Victor, Count Arthur and Bapton Pearl, all English Royal Grand Champions, the latter being the dam of Imp. Whitehall Sultan and Imp. Bapton Diamond, both Grand Champions and both famous sires. The dam of Superb Omega was sired by Imp. Royal Bruce bred by Robert Bruce and sired by the celebrated Winning Hope. The second dam of Superb Omega was sired by a son of Scottish Archer that sired the English Royal Champion Marengo, Best of Archers, Primrose Pride etc.

Imp. Uppermill Omega sired the dam of Fair Acres Gloster, Grand Champion at the Illinois State Fair, Cloverleaf Gloster, Junior Champion at the International and Grand Champion at the American Royal, also the \$12,000 Anoka Omega, Junior Champion at both the American Royal and International.

The dam of Uppermill Superb was Imp. Rubyhill 45th, one of the best cows imported in recent years. She was a first prize winner at Aberdeenshire, Scotland. She has one of the best S. Campbell pedigrees that the Herd Books contain for his best sires are all represented. Imp. Rubyhill 45th was sired by Desmond an excellent bull bred by A. H. Reid a very prominent breeder in Scotland. His sire Morven was also bred by Robert Bruce and sired by the celebrated Winning Hope. He by the W S Mar Golden Hope and he by the Duthie bred Golden Ray. Winning Hope sired the dam of the International Grand Champion Lady Dorothy, also the many times Grand Champion Bapton Corporal a son of Winning Hope sired the \$25,000 Imp. Albert Conqueror etc.

The second dam was sired by a son of Watchman, a noted sire of prize winners in Scotland. Rubyhill Superb has a double cross to the Illustrious Gravesend as he sired the dam of R. N. D. and he also sired the fourth dam of Rubyhill Superb. Gravesend was probably the greatest sire ever used by Syl-

vester Campbell. He sired many famous show cattle including the English Royal Champion Roselinty etc.

This pedigree contains four of the same sires as are in the pedigree of Imp. Villager and three of the same sires that are in the pedigree of Imp. Rodney, two of the greatest show and breeding bulls ever imported.

Rubyhill Superb is an excellent individual, a real bull with two good ends and a good middle. He weighs 2200 pounds. We believe that every critical buyer will want a calf sired by him or a cow bred to him. For a bull with such a pedigree that excels in individual merit is the kind progressive breeders are looking for.

Sale Manager's Notes—Her sire Scottish Sovereign was an excellent sire with a remarkable pedigree. He was bred by F. W. Harding and sired by Fond Memory, a celebrated son of the Imp. Whitehall Sultan. Fond Memory was first prize bull at the International; he was sire of many prize winners including the Grand Champion Augusta 112th. He was also a full brother to Glenbrook Sultan, also sire of Champions. The dam of Scottish Archer, Autumn Rose was also the dam of Mr. Harding's famous herd bull Regal Stamp. He sired the 27 times Grand Champion Princely Stamp. He also sired the high-

est priced heifer calf ever sold at auction in America. The dam of Scotch Sovereign was sired by Good Morning. He had a most remarkable pedigree, being sired by a son of the 30 times Champion, Pride of Morning. His dam by Scottish Archer and the 2d dam by the great and only Field Marshal, three times Champion at the English Royal and the sire of Major, Mario, Princess Alice and many other noted Champions.

You will note that five of the dams in this pedigree were bred at the Iowa Agricultural College which insures that each of them was sired by a splendid bull.

Scottish Lass is an exceptionally large cow and a good breeder. Red heifer calf at foot of July 24, 1924 by Rubyhill's Superb. Bred to Village Baronet June 12.

The dam of this cow was sired by Shamrock, he blended the blood of the two excellent Scotch sires Victoria's Augustus and Barmpton Prince.

The second dam was sired by Goldleaf Knight 8th, an excellent breeding bull and a grandson of Imp. Ducal Crown, one of the best breeding bulls ever owned in Iowa. To all intents and purposes this pedigree is practically Scotch, with probably just enough out crosses to make the blood blend nicely.
